ASSUMPTION OF RISK AND RELEASE

I understand that sailing, paddling, cycling, swimming, instruction, racing, guided trips, waterfront access, transportation, camping, portaging, and related activities involve inherent risks. These include changing weather, cold water, collision, capsizes, falls, equipment failure, wildlife, remote travel, uneven terrain, and serious injury.

I voluntarily choose to participate, accept these ordinary and inherent risks, agree to follow staff instructions, wear required safety equipment, and accurately disclose information relevant to safe participation. To the extent permitted by Minnesota law, I release Sand Lake Recreation, its owners, employees, volunteers, and property partners from claims arising from the ordinary risks of participation, except where a release is prohibited by law.

I authorize reasonable emergency care when I cannot give consent and accept responsibility for resulting costs. I understand that this agreement applies to all Sand Lake Recreation activities during the calendar year shown above.
